DREAMS – FLEETWOOD MAC

Now here you go again, you say
You want your freedom
Well who am I to keep you down
It's only right that you should
Play the way you feel it
But listen carefully to the sound
Of your loneliness
Like a heartbeat drives you mad
In the stillness of remembering what you had
And what you lost, and what you had, and what you lost

Thunder only happens when it's raining
Players only love you when they're playing
Say women they will come and they will go
When the rain washes you clean, you'll know, you'll know

Now here I go again, I see the crystal visions
I keep my visions to myself, it's only me
Who wants to wrap around your dreams and,
Have you any dreams you'd like to sell?
Dreams of loneliness,
Like a heartbeat, drives you mad
In the stillness of remembering, what you had,
And what you lost and what you had and what you lost

Thunder only happens when it's raining
Players only love you when they're playing
Women, they will come and they will go
When the rain washes you clean, you'll know

Thunder only happens when it's raining
Players only love you when they're playing
Say, women, they will come and they will go
When the rain washes you clean, you'll know
You'll know, you will know, you'll know

A HARD DAYS NIGHT – THE BEATLES

It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I'll find the things that you do
Will make me feel alright

You know I work all day to get you money to buy you things
And it's worth it just to hear you say you're going to give me everything
So why on earth should I moan, 'cause when I get you alone
You know I feel ok

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I'll find the things that you do
Will make me feel alright, oww

So why on earth should I moan, 'cause when I get you alone
You know I feel ok

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

Oh, it's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I'll find the things that you do
Will make me feel alright
You know I feel alright

GIRL – THE BEATLES

Is there anybody going to listen to my story
All about the girl who came to stay?
She's the kind of girl
You want so much, it makes you sorry
Still you don't regret a single day
Ah, girl, girl

When I think of all the times
I tried so hard to leave her
She will turn to me and start to cry
And she promises the earth to me
And I believe her
After all this time I don't know why
Ah, girl, girl

She's the kind of girl who puts you down
When friends are there
You feel a fool
When you say she's looking good
She acts as if it's understood
She's cool, ooh, ooh, ooh
Girl, girl, girl

Was she told when she was young
That pain would lead to pleasure?
Did she understand it when they said
That a man must break his back
To earn his day of leisure?
Will she still believe it when he's dead?
Ah, girl, girl, girl
Ah, girl, girl

STARMAN – DAVID BOWIE

Didn't know what time it was and the lights were low – ow - ow
I leaned back on my radio -o -o
Some cat was layin' down some get it on rock 'n' roll, he said
Then the loud sound did seem to fa -a -ade
Came back like a slow voice on a wave of phase ha -a -aze
That weren't no D.J. that was hazy cosmic jive

REFRAIN :

**There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
Cause he knows it's all worthwhile
He told me:**

**Let the children lose it
Let the children use it
Let all the children boogie**

I had to phone someone so I picked on you -ou -ou
Hey, that's far out so you heard him too -oo -oo
Switch on the TV we may pick him up on channel two
Look out your window I can see his li -i -light
If we can sparkle he may land toni -i -igth
Don't tell your poppa or he'll get us locked up in fright

REFRAIN X2

COME TOGETHER – THE BEATLES

Here come old flat top
He come groovin' up slowly
He got joo joo eyeballs
He one holy roller
He got hair down to his knee
Got to be a joker
He just do what he please

He wear no shoeshine
He got toe jam football
He got monkey finger
He shoot Coca-Cola
He say I know you, you know me
One thing I can tell you is
You got to be free
Come together, right now
Over me

He bad production
He got walrus gumboot
He got Ono sideboard
He one spinal cracker
He got feet down below his knee
Hold you in his armchair
You can feel his disease
Come together, right now
Over me

He roller coaster
He got early warning
He got muddy water
He one Mojo filter
He say one and one and one is three
Got to be good looking
'Cause he's so hard to see
Come together right now
Over me

Come together, right now
Over me

BE MY BABY – THE RONETTES

The night we met I knew I needed you so
And if I had the chance I'd never let you go
So won't you say you love me
I'll make you so proud of me
We'll make 'em turn their heads every place we go

So won't you, please, *(be my, be my baby)*
Be my little baby, *(my one and only baby)*
Say you'll be my darlin', *(be my, be my baby)*
Be my baby now, *(my one and only baby)*
Wha oh oh oh

I'll make you happy, baby, just wait and see
For every kiss you give me I'll give you three
Oh, since the day I saw you
I have been waiting for you
You know I will adore you 'til eternity

So won't you, please, *(be my, be my baby)*
Be my little baby, *(my one and only baby)*
Say you'll be my darlin', *(be my, be my baby)*
Be my baby now, *(my one and only baby)*
Wha oh oh oh

So come on and, *(be my, be my baby)*
Be my little baby, *(my one and only baby)*
Say you'll be my darlin', *(be my, be my baby)*
Be my baby now, *(my one and only baby)*
Wha oh oh oh

I SAY A LITTLE PRAYER – ARETHA FRANKLIN

The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair, now
And wondering what dress to wear, now
I say a little prayer for you

**Forever, forever, you'll stay in my heart
And I will love you
Forever and ever we never will part
Oh, how I'll love you
Together, together, that's how it must be
To live without you
Would only be heartbreak for me**

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work I just take time
And all through my coffee break-time
I say a little prayer for you

Refrain X 2

My darling, believe me (Believe me)
For me, there is no one but you
Please love me true
I'm in love with you (Answer my prayer)
Answer my prayer, baby (Answer my prayer)
Say you'll love me true (Answer my prayer)
Answer my prayer, baby (Answer my prayer)

Refrain

KISS – PRINCE

You don't have to be beautiful
To turn me on
I just need your body, baby
From dusk 'til dawn
You don't need experience
To turn me out
You just leave it all up to me
I'm gonna show you what it's all
about

You don't have to be rich
To be my girl
You don't have to be cool
To rule my world
Ain't no particular sign
I'm more compatible with
I just want your extra time and
your

Kiss
Ah, oh-oh

You got to not talk dirty, baby
If you wanna impress me (ah)
You can't be too flirty, mama
I know how to undress me, yeah
I want to be your fantasy
Maybe you could be mine
You just leave it all up to me
We could have a good time, uh

Don't have to be rich
To be my girl
You don't have to be cool
To rule my world
Ain't no particular sign
I'm more compatible with
I just want your extra time and
your

Kiss

Women, not girls, rule my world
I said they rule my world
Act your age, mama
Not your shoe size
Maybe we could do the twirl
You don't have to watch Dynasty
To have an attitude, uh
You just leave it all up to me
My love will be your food
Yeah

You don't have to be rich
To be my girl
You don't have to be cool
To rule my world
Ain't no particular sign
I'm more compatible with
I just want your extra time and
your

Kiss

ELEANOR RIGBY – THE BEATLES

Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby
Picks up the rice in the church where a wedding has been
Lives in a dream
Waits at the window
Wearing the face that she keeps in a jar by the door
Who is it for?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Father McKenzie
Writing the words of a sermon that no one will hear
No one comes near
Look at him working
Darning his socks in the night when there's nobody there
What does he care?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby
Died in the church and was buried along with her name
Nobody came
Father McKenzie
Wiping the dirt from his hands as he walks from the grave
No one was saved

All the lonely people (ah, look at all the lonely people)
Where do they all come from?
All the lonely people (ah, look at all the lonely people)
Where do they all belong?

Ah, look at all the lonely people
Ah, look at all the lonely people

STRAWBERRY FIELDS FOREVER – THE BEATLES

REFRAIN :

**Let me take you down
'Cause I'm going to Strawberry Fields
Nothing is real
And nothing to get hung about
Strawberry Fields forever**

Living is easy with eyes closed
Misunderstanding all you see
It's getting hard to be someone
But it all works out
It doesn't matter much to me

REFRAIN

No one I think is in my tree
I mean it must be high or low
That is you can't, you know, tune in
But it's all right
That is, I think, it's not too bad

REFRAIN

Always, no, sometimes think it's me
But you know I know when it's a dream
I think, er, no, I mean, er, yes
But it's all wrong
That is I think I disagree

REFRAIN

Strawberry Fields forever
Strawberry Fields forever

HELP ! – THE BEATLES

Help, I need somebody
Help, not just anybody
Help, you know I need someone, help

When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone, I'm not so self assured
Now I find I've changed my mind and opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being round
Help me get my feet back on the ground
Won't you please, please help me

And now my life has changed in oh so many ways
My independence seems to vanish in the haze
But every now and then I feel so insecure
I know that I just need you like I've never done before

Help me if you can, I'm feeling down
And I do appreciate you being round
Help me get my feet back on the ground
Won't you please, please help me

When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone, I'm not so self assured
Now I find I've changed my mind and opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being round
Help me get my feet back on the ground
Won't you please, please help me, help me, help me, oh

STAND BY ME – BEN E. KING

When the night has come

And the land is dark

And the moon is the only light we'll see

No I won't be afraid, no I won't be afraid

Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now stand by me

Stand by me, stand by me

If the sky that we look upon

Should tumble and fall

And the mountains should crumble to the sea

I won't cry, I won't cry, no I won't shed a tear

Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh stand by me

Stand by me, stand by me, stand by me, yeah

Whenever you're in trouble won't you stand by me, oh now now stand by me

Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me, stand by me

Oh stand by me, stand by me, stand by me

I HEARD IT THROUGH THE GRAPEVINE – MARVIN GAYE

Ooh, I bet you're wond'rin' how I knew 'bout your plans to make me blue
With some other guy you knew before Between the two of us guys you know I love you
more
It took me by surprise I must say When I found out yesterday

Ooh I heard it through the grapevine
Not much longer would you be mine
Ooh I heard it through the grapevine
Ooh I'm just about to lose my mind
Honey, honey yeah
(Heard it through the grapevine)
(Not much longer would you be my baby, ooh, ooh, ooh)

I know a man ain't supposed to cry, but these tears I can't hold inside
Losin' you would end my life you see, 'cause you mean that much to me
You could have told me yourself, That you found someone else
Instead I

Heard it through the grapevine
Not much longer would you be mine
Oh I heard it through the grapevine
And I'm just about to lose my mind
Honey, honey yeah
(Heard it through the grapevine)
(Not much longer would you be my baby, ooh, ooh, ooh, ooh,
ooh)

People say « believe half of what you see, Son, and none of what you hear »
But I can't help bein' confused, If it's true please tell me dear
Do you plan to let me go, For the other guy you knew before?
Dontcha know I

Heard it through the grapevine
Not much longer would you be mine
Baby I heard it through the grapevine
Ooh I'm just about to lose my mind
Honey, honey yeah
(Heard it through the grapevine)
(Not much longer would you be my baby, yeah, yeah, yeah,
yeah)

ISN'T SHE LOVELY – STEVIE WONDER

Isn't she lovely
Isn't she wonderful
Isn't she precious
Less than one minute old

I never thought through love we'd be
Making one as lovely as she
But isn't she lovely made from love

Isn't she pretty
Truly the angel's best
Boy, I'm so happy
We have been heaven blessed

I can't believe what God has done
Through us he's given life to one
But isn't she lovely made from love

Isn't she lovely
Life and love are the same
Life is Aisha
The meaning of her name
Londie, it could have not been done
Without you who conceived the one
That's so very lovely made from love

ACROSS THE UNIVERSE – THE BEATLES

Words are flowing out
Like endless rain into a paper cup
They slither while they pass
They slip away across the universe
Pools of sorrow, waves of joy
Are drifting through my opened mind
Possessing and caressing me

Jai Guru Deva, Om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light
Which dance before me like a million eyes
They call me on and on across the universe
Thoughts meander like a restless wind inside a letter box
They tumble blindly as they make their way across the universe

Jai Guru Deva, Om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Sounds of laughter, shades of life
Are ringing through my open ears
Inciting and inviting me
Limitless, undying love
Which shines around me like a million suns
It calls me on and on across the universe

Jai Guru Deva, Om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Jai Guru Deva

ALL MY LOVING – THE BEATLES

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my lovin' to you

I'll pretend that I'm kissing
The lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home every day
And I'll send all my lovin' to you

All my lovin', I will send to you
All my lovin', darlin', I'll be true

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my lovin', I will send to you
All my lovin', darlin', I'll be true
All my lovin', all my lovin'
Ooh ooh, all my lovin', I will send to you

DREAM A LITTLE DREAM OF ME – THE MAMAS AND THE PAPAS

Stars shining bright above you
Night breezes seem to whisper I love you
Birds singing in the sycamore tree
Dream a little dream of me

Say night-ie night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries far behind you
But in your dreams whatever they be
Dream a little dream of me

LUCY IN THE SKY – THE BEATLES

Picture yourself in a boat on a river
With tangerine trees and marmalade skies
Somebody calls you, you answer quite slowly
A girl with kaleidoscope eyes

Cellophane flowers of yellow and green
Towering over your head
Look for the girl with the sun in her eyes
And she's gone

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, aah...

Follow her down to a bridge by a fountain
Where rocking horse people eat marshmallow pies
Everyone smiles as you drift past the flowers
That grow so incredibly high

Newspaper taxis appear on the shore
Waiting to take you away
Climb in the back with your head in the clouds
And you're gone

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, aah..

Picture yourself on a train in a station
With plasticine porters with looking glass ties
Suddenly someone is there at the turnstile
The girl with the kaleidoscope eyes

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, Aah
Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, Aah
Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds

YESTERDAY – THE BEATLES

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday
Mm mm mm mm mm mm mm

WHILE MY GUITAR GENTLY WEEPS – THE BEATLES

I look at you all, see the love there that's sleeping
While my guitar gently weeps
I look at the floor and I see it needs sweeping
Still my guitar gently weeps

I don't know why nobody told you
How to unfold your love
I don't know how someone controlled you
They bought and sold you

I look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps

I don't know how you were diverted
You were perverted too
I don't know how you were inverted
No one alerted you

I look at you all, see the love there that's sleeping
While my guitar gently weeps
Look at you all
Still my guitar gently weeps

SOMETHING – THE BEATLES

Something in the way she moves
Attracts me like no other lover
Something in the way she woos me
I don't want to leave her now
You know I believe and how

Somewhere in her smile she knows
That I don't need no other lover
Something in her style that shows me
I don't want to leave her now
You know I believe and how

You're asking me will my love grow
I don't know, I don't know
You stick around, now it may show
I don't know, I don't know

Something in the way she knows
And all I have to do is think of her
Something in the things she shows me
I don't want to leave her now
You know I believe and how

HEY JUDE – THE BEATLES

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool
By making his world a little colder
Na-na-na, na, na ; Na-na-na, na

Hey Jude, don't let me down
You have found her, now go and get her (let it out and let it in)
Remember to let her into your heart (hey Jude)
Then you can start to make it better

So let it out and let it in
Hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude, you'll do
The movement you need is on your shoulder
Na-na-na, na, na ; Na-na-na, na, yeah

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better
Better better better better better, ah!

Na, na, na, na-na-na na (yeah! Yeah, yeah, yeah, yeah, yeah, yeah)
Na-na-na na, hey Jude
Na, na, na, na-na-na na
Na-na-na na, hey Jude

FLY ME TO THE MOON – FRANCK SINATRA

Fly me to the moon
Let me play among the stars
Let me see what spring is like on
A-Jupiter and Mars
In other words, hold my hand
In other words, baby, kiss me

Fill my heart with song and let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, I love you

Fill my heart with song
Let me sing for ever more
You are all I long for, all I worship and adore
In other words, please be true
In other words
In other words
I love you

YELLOW – COLDPLAY

Look at the stars
Look how they shine for you
And everything you do
Yeah they were all yellow

I came along
I wrote a song for you
And all the things you do
And it was called "Yellow"

So then I took my turn
Oh what a thing to have done
And it was all yellow

Your skin
Oh yeah, your skin and bones
Turn into something beautiful
You know, you know I love you so
You know I love you so

I swam across
I jumped across for you
Oh what a thing to do
'Cause you were all yellow

I drew a line
I drew a line for you
Oh what a thing to do
And it was all yellow

Your skin
Oh yeah your skin and bones
Turn into something beautiful
And you know
For you I'd bleed myself dry
For you I'd bleed myself dry

It's true
Look how they shine for you
Look how they shine for you
Look how they shine for
Look how they shine for you
Look how they shine for you
Look how they shine

Look at the stars
Look how they shine for you
And all the things that you do

WITH OR WITHOUT YOU – U2

See the stone set in your eyes
See the thorn twist in your side
I'll wait for you
Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait, without you

With or without you
With or without you

Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you

With or without you
With or without you
I can't live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, she's got me with
Nothing to win and
Nothing left to lose

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

With or without you
With or without you
I can't live
With or without you
With or without you

EVERY BREATH YOU TAKE – THE POLICE

Every breath you take
Every move you make
Every bond you break
Every step you take, I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay, I'll be watching you

REFRAIN: Oh can't you see

You belong to me

My poor heart aches

With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake, I'll be watching you

Since you've gone I been lost without a trace
I dream at night I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby, please

REFRAIN

Every move you make
Every vow you break
Every smile you fake
Every claim you stake, I'll be watching you
Every move you make
Every step you take
I'll be watching you

I'll be watching you

(Every breath you take, every move you make, every bond you break, every step you take)

I'll be watching you

(Every single day, every word you say, every game you play, every night you stay)

I'll be watching you

(Every move you make, every vow you break, every smile you fake, every claim you stake)

I'll be watching you

(Every single day, every word you say, every game you play, every night you stay)

I'll be watching you...
